

Municipal Freedom of Information and Protection of Privacy Act

The Municipality of Brockton endeavours to provide as much information as possible to the public without the necessity of submitting a formal Freedom of Information Request.

The Municipal Freedom of Information and Protection of Privacy Act provides individuals with a right of access to certain records under the custody or control of the Municipality of Brockton. The Act provides that certain costs can be charged for access to records, for example search time and photocopies. Applications are available at the Municipal Office.
