

## **COMMITTEE MEMBERS NEEDED – BROCKTON COMMUNITY LIAISON COMMITTEE**

The Municipality of Brockton has expressed interest in learning more about Canada's plan for the long-term management of used nuclear fuel and the process for identifying an informed and willing host community for a deep geological repository.

The municipality has created a Brockton Community Liaison Committee (BCLC) with a mandate to engage, educate and listen to residents of Brockton regarding the NWMO Site Selection Process.

If you would like to be considered for membership on the BCLC, please submit an Expression of Interest to the municipality. The Expression of Interest shall include a summary of skills, experiences and knowledge that you possess and feel would be an asset to the BCLC, the reasons you wish to serve on the BCLC, a summary of your current knowledge of the project and finally what you hope to achieve as a member of the BCLC.

The full description of the terms of reference for the BCLC is available at the Brockton Municipal Office and on the municipal website. Please submit Expressions of Interest to the municipality by **4:30p.m. on Friday, May 31<sup>st</sup>**.

**EMERGENCY PREPAREDNESS WEEK MAY 5<sup>th</sup> to MAY 11<sup>th</sup>** (by Mike Murphy, Fire Chief/CEMC)

Is Your Family Prepared?

Ontario is no stranger to ongoing events like flooding, tornados, and severe weather. The recent ice storm in our area and the flooding in Bracebridge, are reminders emergencies can happen and why it is important to be prepared. The more time you and your family invest in being prepared today, the better off you will be when an emergency or disaster strikes.

Emergency Preparedness Week is about helping Ontarians take an active role in preparing for emergencies and disaster. Emergency preparedness starts at home. Planning ahead can significantly reduce the effect of an emergency or disaster on your family.

Prepare your family for a disaster with four steps:

- o Know the risks in your region
- o Make a family emergency plan and practice it
- o Prepare an emergency kit for your home and vehicle
- o Stay connected by signing up for alerts at

<http://www.emergencymanagementontario.ca/english/stayconnected/stayconnected.html>

A 72-hour emergency kit is easy to prepare, and can be low cost. Preparedness is a shared responsibility. We know that in some cases when a disaster occurs, it can take up to three days for emergency responders to reach you, while they deal with the response and the most critically injured. Make sure you take the time now to prepare yourself with the items necessary to survive for a 72-hour period.
