**Fire Prevention Week October 9 to 15, 2016 - "Don't Wait Check The Date!"**

From October 9 to October 15 we're spreading the word that smoke alarms do not work forever. Most alarms expire after 10 years, but some expire sooner. Don't wait for an emergency to find out that your detector no longer works properly. Check the manufacture date, and replace the alarm if it has expired. The Walkerton Fire Department is holding a number of events throughout the week. Watch for details in the October Buzz. Visit www.Brockton.ca/FirePreventionWeek for more information.
