Detachment Updates

- Freedom Convoys
- South Bruce OPP officers dedicated many hours to monitoring and responding to the Freedom Convoys both locally, regionally and provincially.
- In Brockton the Hanover to Walkerton convoy was a peaceful event with few complaints – our Provincial Liaison Team was engaged with the organizers and communication lines were open.
- Our Provincial Liaison Team proved invaluable with all the Convoys planned in the South Bruce area.

Detachment Updates

- Our officers continue to work with members of the Mobile Mental Health and Addictions Response Team (MMHART). We engaged them with a number of individuals in town throughout the summer months, some of whom are unhoused. MMHART has proven to be a valuable resource for the officers when dealing with individuals with suspected mental health or addictions concerns.

Detachment Updates

- In addition to MMHART, South Bruce OPP became involved in a partnership with Grey Bruce OPP and Grey Bruce Health Services. Provincial funding financed the hiring of three Mental Health clinicians to form a Mobile Crisis Response Team (MCRT).
- Julie ROBINSON, a Mental Health nurse, is assigned to South Bruce OPP. This model involves ROBINSON riding with an officer Monday to Friday 1000-1800 attending any call for service within the South Bruce catchment area that has a mental health or addictions component to it.
- Since the inception of MCRT at the end of November 2022, ROBINSON has responded to 80 calls for service with our officers. Thirty individuals were diverted away from unnecessary Emergency Room visits and were provided appropriate resources.
