NOTES:
The Conservation Authorities Act applies to lands within and adjacent to EP and EP - Special zoned lands. The Conservation Authorities Act requires that a Conservation Authority permit shall be obtained prior to undertaking any development and/or site alteration activities within those Regulated Areas. To determine the extent of the Regulated Area and whether a Conservation Authority permit is required, the Conservation Authority must be contacted for any proposed development and/or site alteration activity within and 30 metres adjacent to EP and EP-Special zoned lands. The mapping should be considered as a visual aid only.
