Dec 1, 2023 ,

The Archaeology Department of the Environment Office of the Saugeen Ojibway Nation has reviewed the Stage 1-2 Archaeological Assessment for Hilltop Meadows Residential Development (aka Walkerton East Ridge Business Park) completed by AMICK Consultants Limited (ACL), August 2015. The findings of the report are acceptable.

Should previously undocumented archaeological resources be discovered during the development of the site, they may be an archaeological site and therefore subject to Section 48 (1) of the Ontario Heritage Act. The proponent or person discovering the archaeological resources must cease alteration of the site immediately and engage with SON Archaeology.
