

Walkerton Official Plan And Brockton Comprehensive Zoning By-law Review

The Municipality of Brockton is undertaking a review and update of its Walkerton Official Plan and Brockton Comprehensive Zoning By-law. These documents will direct how land will be used in your community and what will be protected. This review will address changes to provincial legislation, ensure the documents conform to the Bruce County Official Plan and consider local planning issues that impact your community such as housing, the location of growth, servicing and the natural environment.

We want to hear about what is important to you – have your say in shaping the future of land use planning and development in your community!

Background Report Presentation to Council

The Municipality and its consultant, J.L. Richards and Associates Limited, will present the preliminary research findings and directions from the background research and feedback gathered to date. Members of the Public are invited to attend to in-person or virtually view the presentation.

Tuesday June 10, 2025 at 7 pm.
