Dear Property Owner,

On Monday, May 25, 2026, Bruce County's Transportation and Environmental Services Department started road reconstruction. Fortunately, as of 5:00 p.m. this evening (Friday, May 29, 2026), Bruce County were able to reopen Bruce Road 15 between Sideroad 5 Greenock and Greenock-Brant Townline in Pinkerton.

We appreciate your patience and understanding throughout this ongoing situation.
